PROFESSIONAL SUMMARY

A detail-oriented Computer Science student with a strong focus on graphic design and visual communication. Experienced in producing design assets for organizational publications, and competitive presentations. Proficient in Adobe Photoshop, Illustrator, CapCut, and Canva. Combines technical CS foundation with a creative eye for design – seeking a Creative Arts or Multimedia related internship to grow as a visual storyteller and contribute to a dynamic creative team.

CREATIVE & TECHNICAL SKILLS

- Graphic Design: Adobe Photoshop, Adobe Illustrator, Canva – visual identity, layout, print, and digital assets
- Video Production & Editing: CapCut – video editing, color grading, motion sequencing
- Visual Communication: Brand consistency, event collateral, poster and social media design
- UI & Secure Design: Designing user interfaces with a focus on clean aesthetics and minimal vulnerabilities
- Soft Skills: Detail-oriented, creative thinker, collaborative team member, deadline-driven

CREATIVE EXPERIENCE

Graphic Designer – Multimedia Sub-Organization – Universidad de Dagupan | AY 2023 - 2024

- Designed promotional materials, event posters, and digital assets for the organization's activities, maintaining a consistent visual identity across all platforms.
- Collaborated with the multimedia team to produce high-quality design deliverables for multiple concurrent events with tight timelines.
- Established reusable design templates that streamlined future material production, reducing turnaround time for recurring collateral.

Vice President for Information – CSITS Organization – Universidad de Dagupan | AY 2024 - 2025

- Directed all publication materials for the organization, overseeing design production of announcements, event collateral, and official communications distributed across student platforms.
- Led the graphics team as head, assigning design tasks, maintaining brand consistency, and reviewing all visual outputs before publication to ensure professional quality.
- Produced and managed a steady pipeline of design assets throughout the academic year, supporting multiple concurrent events and initiatives with on-brand, deadline-ready materials.

Graphics Team Member – Saan MV Cover Production – Universidad de Dagupan | Jun 2025

- Contributed to the visual design and graphics pipeline for a full music video cover production, ensuring cohesive aesthetics from pre-production through final output.
- Coordinated with the production team to align on creative direction, delivering graphics assets on schedule for the completed video release.

Production Assistant – Saan MV Cover Production – Universidad de Dagupan | Jun 2025

- Supported on-set production logistics and operations, enabling smooth execution of the music video shoot and contributing to a professional production environment.

Student Assistant – Arzatech Solutions – Universidad de Dagupan | Jan 2025 - Present

- Support daily operations and project workflows, applying organizational and technical skills to ensure consistent and professional task delivery.
- Manage and publish official announcements on the school's social media page, creating and scheduling timely, well-formatted posts that keep the student body informed and engaged.

NOTABLE PROJECTS & COMPETITIONS

Champion – Hack the Chain 25.2 – Mapandan, Pangasinan | Jul 2025

- Contributed to UI/UX and presentation design for the winning hackathon project, developing a visually compelling interface that helped the team secure 1st place in a 24-hour competition.

Champion – UC TechnoSprint 2025 – University of the Cordilleras, Baguio City | Feb 2025

- Supported visual design and project presentation for a multidisciplinary innovation sprint, contributing to the team's 1st place finish among university competitors.

2nd Runner-Up – ASEAN Conference for Region 1 HEIs – Lingayen, Pangasinan | Sep 2025

- Assisted in crafting the team's visual presentation materials for an ASEAN-level regional competition, helping secure 3rd place among higher education institutions in Region 1.

EDUCATION

Bachelor of Science in Computer Science – Universidad de Dagupan, Dagupan City, Pangasinan 2023 - Present | Expected Graduation: 2027

- Consistent Dean's Lister every semester since AY 2023-2024
- Outstanding Student Award – 1st Sem & 2nd Sem AY 2024-2025, 2nd Sem AY 2023-2024
- CHED Qualified Scholar (2023) | Municipality of Mangaldan Scholar (2023)
